**Georgia State University, Atlanta, GA**  
**Georgia Institute of Technology, Atlanta, Ga**

- Numerous Professional Certifications and Awards in the Environmental, Health and Safety fields.
- Over 30 years of experience in EHS, primarily in Manufacturing environments.

## Class Title

**ISO 45001 and Tips to Successfully Navigating External Audits**

## Class Description

This class will cover a basic overview of the ISO 45001 standard, similarities with other ISO standards and the differences from OHSAS 18001. The audit process can vary slightly by external auditor but the new process driven standard ties new aspects into the activity. We will discuss the audit process and tips will be provided that have been used successfully to allow 9 locations in 3 countries certify with 13 more in process. Many of those locations had 0 findings in their Stage 1 audits.

## Additional Comments

Presentation available on website after the conference.
