Current Employer or Company Information

May 1993–Current
Director of Security & Police Operations• The Biltmore Company •

Responsible for all security and police operations for Biltmore Estate.

Education/Certifications/Experience

Larry has over 45 years of experience in both military and civilian law enforcement as well as the private security field. He served our county for 20 years in the US Army with assignments to the 82nd Airborne, various Military Police units and the US Army Criminal Investigation Command (CID) retiring as a Chief Warrant Officer 3. After retiring from the military, Larry joined the Biltmore Company and became their first Director of Security & Police Services overseeing all security and law enforcement operations for the company. Larry continues to serve in that position and has been with Biltmore for the past 25 years.

Larry holds a Bachelor's degree in Sociology with a minor in Criminal Justice. He is a sworn police officer with the Biltmore Company Police and a Deputy Sheriff with Buncombe County, NC. Larry has been a member of ASIS for the past 25 years and holds certification as a Certified Protection Professional (CPP). During his time with ASIS Larry was a member of the development team for the Physical Security Professional (PSP) program for ASIS. He also holds various certifications in the security field to include Cultural Property Protection and physical security.
